Hello Attila Kolinger,

This is an automated response to your request for:
Sublicense of USB VID/PID Code
Subject to the terms and conditions of Microchip Universal Serial Bus Vendor ID Sublicense agreement

The PID code assigned to you is:
VID: 0x04D8
PID: 0xE594

The VID/PIDs above are to be used solely with Microchip Microcontrollers. Use with any other manufacturer devices will result in termination of the sublicense agreement.
